Internship for Residential Campus Manager

Applications are invited for an Internship a Residential Campus Manager available starting Monday the 9th of September 2019 at the Dakar American University of Science & Technology (DAUST).

The newly established Dakar American University of Science & Technology provides instruction and research for undergraduate and graduate students in fields of engineering and technology. Officially approved to open on January 1, 2017 by the Senegalese Ministry of Higher Education and Research, DAUST, located in Somone (about one hour and a half south of Dakar), is a research university of academic excellence.

The goal of DAUST is to prepare and train motivated individuals for careers in engineering and technology. DAUST offers a highly personalized setting that prepares students to become engineering professionals capable of developing technological solutions to Africa's societal needs and challenges.

We are seeking talents for an Internship as Residential Campus Manager

The position is residential and therefore the interns are required to live on campus at DAUST for the entire duration of their contract.

Campus Managers will assume overall responsibility for the smooth running of the dormitory according to the DAUST Residential Code of Conduct.

They will conduct inspections of the dormitories to ascertain the state of the rooms

They will maintain student discipline in residences, liaising with the DAUST Student Affairs Department.

They will also deal with day-to-day dorm problems and implementing workable solutions.

Along with the Student Affairs Department, they will supervise the room allocations.

Essential Skills:

Valid First Aid Certificate.

Excellent organizational and leadership skills

Flexibility and ability to work in a high pressure environment

Compensation:

Salary is highly competitive and commensurate with experience and accomplishments.

Application Procedure:

Submit a Cover Letter (Firstname_Lastname_Cover_Letter.pdf) and a CV (Firstname_Lastname_CV.pdf) to info@daust.org.

Review of applications will start immediately.
